NEW! Social Networking

Sponsored by the Cary Park District

Wednesday, January 20, 2010, 9:30am-11:30am

Cary Park District Community Center, Cary, Illinois

Have you been asked to get LinkedIn? Can you make business contacts through Facebook or MySpace? Should you Twitter your business? Learn the answers to these questions and more. Computers are not required, but you may bring a laptop for hands-on instruction. To register, contact the Cary Park District at (847) 639-6100 or www.carypark.com.

Internet Safety For Kids And Tweens (ages 5-adult)

Sponsored by the Cary Park District

Wednesday, February 15, 2010, 9:30am-10:30am

Cary Park District Community Center, Cary, Illinois

Learn how kids can use the Internet safely by covering age-appropriate skills and talking about online stranger danger. Review basic skills, talk about ways to use technology with less risk and take a quiz to test your knowledge. Parents are welcome to enroll in this program with their kids. Computers are not required, but you may bring a laptop for hands-on instruction. To register, contact the Cary Park District at (847) 639-6100 or www.carypark.com.

Web 2.0 For Job Search

Do-It-Yourself Tech Support For PC And Mac

Protecting Yourself From Cybercrime

Web 2.0 For Job Search

Sponsored by the Cary Park District

Wednesday, March 17, 9:30am-11:30am and 6:00pm-8:00pm

Cary Park District Community Center, Cary, Illinois

Learn how to use technologies like LinkedIn, Facebook, MySpace, and Twitter to boost your job search. We will discuss how to use social networking sites, review business blogging, and talk about how the Internet can help you get a foot in the door. Computers are not required, but you may bring a laptop for hands-on instruction. To register, contact the Cary Park District at (847) 639-6100 or www.carypark.com.

Do-It-Yourself Tech Support For PC And Mac

Sponsored by the Cary Park District

Wednesday, April 21, 2010, 9:30am-11:30am and 6:00pm-8:00pm

Cary Park District Community Center, Cary, Illinois

Learn how to fix your own computer with the same techniques used by the experts. We will discuss troubleshooting, preventative maintenance and security tips for both PC (Windows) and Mac. Computers are not required, but you may bring a laptop for hands-on instruction. To register, contact the Cary Park District at (847) 639-6100 or www.carypark.com.

Protecting Yourself From Cybercrime

Sponsored by the Cary Park District

Wednesday, May 5, 2010, 9:30am-11:30am

Cary Park District Community Center, Cary, Illinois

Learn how to keep your PC or Mac secure from the latest Internet threats. Review the four steps to protecting your computer, discuss the do's and don'ts of the online world and take a quiz to test your skills. Computers are not required for this class, but you may bring a laptop for hands-on instruction. To register, contact the Cary Park District at (847) 639-6100 or www.carypark.com.

Customers Rave About Guidry Consulting Computer Services

“[Triona] has been a life saver. She can explain any technical situation in terms that we all can understand. I use her services on my home computer as well as [at the office].”

“Nothing is out of her scope: Windows, Mac, wireless networks, web design, and more. Her Tech Tips blog helps the community stay abreast of... the computer world.”

“Triona has an excellent personality and 'gets it' when it comes to customer service. She is there for you!”
